Rebels Slip to Second in Central League Standing

By Doug Barnes

D.V. Rebels moved into a 2-way tie with Camrose Maroons last Tuesday night by downing Wetaskiwin Colonels 9 to 4. Two hat-tricks were scored. One by Sam Belcourt and one by Jim Feeney. Both players received a Stetson hat each, courtesy of Don MacKenzie's Men Wear.

Sam Belcourt opened the scoring with the first goal of his hat trick at 4:50 from McGowan and Ness. Colonels came back with 2 goals, one at 7:10 and one at 9:26, by Jerry Green and Maceachern. Sam Belcourt scored his second at 12:44 from Garding and Hendrickson . The first period ended in a 2 to 2 tie.

George Souey opened the scoring for Wetaskiwin in the second period at 8:29. Ness tied it up at 11:01 from Belcourt and Roggeveen. The second period ended tied 3 to 3.

At 3:11 Ray LaPointe broke the tie assisted by Hodgson and Garding and from here on the Rebels never looked back. Jim Feeney scored the first of his hat trick from Frank Novosel at 7:26 and at 14:25 Feeney from Hodgson and Novosel. While Wetaskiwin was playing short handed because of a penalty,to Boisert for cross checking, Sam Belcourt scored his third goal from Roggeveen at 16:34. Then at 17:40 Jim Feeney finished off his trick assisted by Belcourt. Sam Belcourt had another one of his big nights picking up 5 points.

Henry Hodgson finished off the scoring for the Rebels at 19:05 from Dan Davie. Wetaskiwin's only goal in the third period. came at 19:39 from G. Souey.

Rural Industry to be Conference Subject

Discussions designed to attract industry to Alberta's smaller communities, and to relate these industries to the province's agricultural economy, will be held at the Government of Alberta's "Agriculture-Industry" public conference in Edmonton, January 29th. To be located at the Edmonton Inn. the conference will be chaired jointly by the Hon. R. S. Ratzlaff, Minister of Industry and Tourism, and the Hon. Henry Ruste, Minister of Agriculture.

The tremendous success of "Direction 70" held last year has prompted the government to again schedule the one-day event under the title "Agriculture-Industry, the Key to Alberta's Future", Mr. Ruste declared. The government has attempted to encourage dispersal of industry from the larger centers to the smaller.

The conference will promote dialogue to this end, encouraging farmers to become intimately involved in the development of rural industry. New businesses, agriculturally oriented, may well develop processing and packaging of agricultural products, and produce implements and tools for better farming, as well as providing jobs for the farm family.

The conference is open to all interested organizations and individuals and there is no registration fee. Speakers of international repute will attend, Mr. Ruste said and there will be time for general discussion.

Chamber to Meet Thursday

Members are reminded of the meeting of the Drayton Valley and District Chamber of Commerce in the Cardium Room at noon on Thursday, December 17.

Election of officers for 1971 will be held and a good turnout of members is requested.

Fish and Game Trophy Measurement

Members of the Pembina Oilfield Fish and Game Association are reminded that official measurement of trophy antlers for moose, elk, and deer, will take place at 8:00 p.m. on Thursday, December 17th at the Goliad Building.

A trophy will also be available this year for non-typical mule and white tail deer.

NO STOCKPILING THIS WINTER

Honourable Gordon E. Taylor had announced that there will be no registration of gravel trucks for notation to winter stockpiling projects this year.

The Minister pointed out that progressive stockpiling operations from previous years have fulfilled the requirements for next year's operations, and that the constuctions operations this year have resulted in a high degree of completion, thus using up available funds.

Cantata choir of Calvary Baptist Church

Choir Presents Cantata

"The wonder of Christmas is filling the air." This is the opening line of the Christmas Cantata, "The Wonder of Christmas", which was presented last Sunday evening by the Cantata Choir of the Calvary Baptist Church, in their sanctuary. The music and message of this stirring cantata, written and composed by John W. Peterson, is still ringing in the hearts and minds of the many who were present to hear it, we are sure.

Music is the language of the spirit and the heart, speaking more plainly and deeply than many a great oration can do. The music of Christmas holds a very special place in the hearts of people the world over, because it speaks of joy, peace and of hope in the future. All these noble truths are portrayed with clarity and sincerity in the music of this cantata.

The choir will be travelling to Edmonton, Thursday evening, to present the cantata at the Lansdowne Baptist Church, 51st Ave. and 122 Street. The choir will also be presenting the cantata at the Pentecostal Tabernacle, in Drayton Valley, Tuesday evening December 22nd at 8:00 p.m.

A cordial invitation is extended to all to come and share in this evening of Christmas music. Your Christmas will have greater meaning because of it.

LIBRARY NEWS

The library will be closed on Christmas Day and New Year's Day. Otherwise regular hours will be observed.

The buying guide issue of consumer reports has arrived. These are the facts you need before buying in 1971. Subjects range from loudspeakers to baby shampoos and from auto insurance to portable food mixers. If you have become interested in crewel embroidery you will want to read "Creative Crewel" by Alfers. This is a book for beginners with a wealth of useful information ranging from illustrations of the various stitches to instructions on making your own designs.

Some books which have been unavailable for some time have been rebound, and are now on the shelves.

Did you lose your driving gloves? We have an extra pair at the library. Ask at the desk.

Rebels Slip to Second Place

Cont. from Page 1

12 penalties were handed by referee's Dick Currey and Armand Beaudry. Four to Drayton Valley and 8 to Wetaskiwin.

Winning this game tied D.V. with the Camrose Maroons. Camrose won over Fort Saskatchewan, Thursday night 5 to 3, to put them 2 points up. Camrose also picked up the game they had in hand over Drayton Valley.

This set the stage for what should have been a good hockey game Saturday night when the Rebels travelled to Camrose to take on the Maroons and gain a tie for first place.

But some times the best laid plans go wrong. The Maroons bombed the Rebels 12 to 6 in a real bad hockey game. Maroons out-shot the Rebels 45 to 35. Rebels got goals from Sam Belcourt from Hodgson at 16:45 in the first period. The first period ended 5 to 1 for Camrose.

In the second period the Rebels out-scored the Maroons 3 to 2. The Rebels came within 2 goals at one time. Camrose opened the scoring in the second at 2:28. Then the Rebels scored 3 goals. Ray LaPointe at 4:13 unassisted. Shortly after this goal LaPointe caught a highstick and had to be stitched up for 10 stitches and didn't return until half way through the third period.

The Rebels scored again at 5:58 Hodgson from Belcourt, and at 12:49 Frank Novosel from Belcourt and Roggeveen. The score then was 6 to 4 Camrose. But in the third period Camrose outscored the Rebels 6 to 2.

Rebel goals scored in the third period were by Hodgson unassisted at 13:47 and Hemmingway at 15:07 unassisted (enough said). Rebels will be looking for revenge on Saturday night at 8:30 when they meet the Maroons at home. This will be a game you shouldn't miss.

The Rebels also will be hosting the Stony Plain Eagles in an exhibition game Tuesday December 22nd at 8:30 p.m. So far this year Stony Plain and the Rebels have split their games winning one each. The Eagles are in first place in the Edmonton Central League.

Warriors Lose to Salisbury In Thrilling Tourney Finale

The FMHS Warrior basketball team fought their way to the Championship final game of the Salisbury High School Basketball Invitation tournament this past weekend and bowed out 48 - 45 to the hosting school in an exciting and tension-filled game.

Down 9 points at the half, 21 - 12, the local Drayton team gamely fought back to a tie at 44 - 44 in the dying minutes before Salisbury put the game away with two fine offensive thrusts. Doug Ibbotson lead the Warriors in the game with a 21 point effort and Larry Mattoon followed with 11 points.

The Salisbury squad were lead by their great 6'6" center, Denison with 15 points and he was followed by Jacob with 12 points.

Salisbury had defeated Paul Kane and LacLaBiche to reach the finals and the Warriors had turned back Ardrossan High 64-19 and Camrose High 48 - 44 to reach the championship contest.

In the Ardrossan contest, Larry Mattoon led the Warriors with 20 points and he was followed by 6'5" Ken Dusterhoft with 16 points and captain, Doug Ibbotson with 15. Stuart Reid led Ardrossan with 7 points.

One of the most exciting games of the tournament was a hard nosed and fought game between the Warriors and Camrose High which saw the local club overcome a superb team with a determined press which gave them a come-from-behind victory as they outscored the Camrose five 16 - 7 in the last quarter. In this game Stan Oulton led the Warriors with 9 points and Barry Swap and Blair Ibbotson followed with 7 each. Two great drives by Blair Ibbotson and three baskets by Jerry Mastre seemed to turn the tide of this game and gave the Warriors one of their most satisfying victories over the past few years. For Camrose, Ron Branton led the team with 10 points and their giant center and exceptionally fine ball player Peter Weichler followed with 9.

On Friday night the Warriors were in St. Albert to open the North Central league season and to defend their Western Conference Title of last season. The Warriors started off on the right foot with a 49 - 23 victory. In this game Doug Ibbotson hit for 16 points and center Ken Dusterhoft with 13 points and Blair Ibbotson with 8 followed.

For St. Albert, Ron Martyn hit for 9 points. For their weekend efforts the Warriors brought home a handsome consolation trophy to their school.

With four games in ten hours, the Warrior team takes a well deserved break until the Wednesday practice to get ready for another busy weekend-this time at home as they play their second league contest Friday night against Ardrossan High at the local high school gym in an interlocking game. It is possible that Ardrossan will be bringing their pep band to this game.

On Saturday the Warriors host their seventh annual invitational tournament. The tournament gets underway at 9:30 a.m. and the climax comes at 7:00 p.m. with the championship game.

Up for competition are five all-star awards, a championship trophy and a cheerleading trophy.

Invited are Stony Plain High, Fort Saskatchewan, Breton, Thorsby, and St. Francis Xavier, Edmonton. Plan to come and enjoy the color and thrills of high school basketball this Friday and Saturday. Local fans will also see St. Francis's outstanding centre, Roy Zavalier who is an outstanding Edmonton Eskimo football prospect and an all-star performer in the Alberta Junior Football League with the Edmonton Huskies last season.

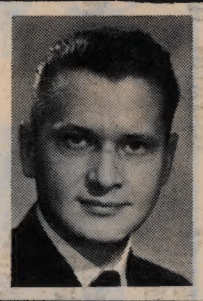
Report From Parliament Hill

By Allen Sulatycky, M.P.



The Auditor-General's bill has been withdrawn. In the two weeks in which it was on the Order Paper, there were many reports stating that somehow the Government was trying to muzzle the Auditor-General. Since that is a rather frightening accusation I would expect that every respnsible taxpayer would be very alarmed and want some facts. Here is the situation. You be the judge.

Firstly, there has never been an Auditor-General's Act in Canada to the present. The Auditor-General has functioned under the Financial Administration Act. He himself, not the government, asked for a separate act. Since the Auditor-General was not a servant of the Government but of Parliament it was decided that if he wanted a new act then the Auditor-General himself and his own legal advisers should prepare one. This was done.

That draft of an Act was then referred, not to the Government, but to the House of Commons Committee on Public Accounts, a committee led by a member of the Official Opposition who is its chairman.

The Public Accounts Committee, where all parties are represented, and where, as mentioned above, the chairman is a member of the Opposition, held public hearings on the new Auditor-General's Act and heard witnesses from the Auditor-General's own Department, his staff, the Canadian Institute of Chartered Accountants, Treasury Board and others.

On Friday, June 26, 1970, the Public Accounts Committee presented its 5th Report to the House of Commons, dealing exclusively with the new Auditor-General's Act. In that unanimous report the all-party committee made 18 specific recommendations.

The Government then prepared a bill, C-190, which exactly followed, without change, the unanimous recommendations of the all-party House of Commons Committee of which an Opposition member is Chairman and where the government side of the House does not have an overall numerical majority.

If there is criticism of Bill C-190 it should be directed at the Public Accounts Committee which prepared it, not the Government which followed the House Committee's instructions.

There is a more serious point. If you can find something wrong in this Bill I want to know about it. Please drop me a note. I'll rush a copy of C-190 to you by return mail. If you see any way whereby the taxpayer's interest isn't being completely protected by C-190 please let me know what it is. I think that the Public Accounts Committee has done a rather good job. If it has gone wrong, or somehow "muzzled" the Auditor-General I want to know immediately. This is too important an issue for people who haven't bothered to read the Committee's recommendations or the subsequent Bill C-190 to use for political games and accusations about "muzzling", especially when the Bill is not based on recommendations that came from the Government in the first place.

MERCURY RESTRICTIONS

Ottawa -- Agriculture Minister H.A. (Bud) Olson has announced moves to reduce the use of mercury as a pesticide.

All companies registering seed treatment pesticides containing mercury have been notified that registrations under the Pest Control Products Act for those to be used to treat wheat, oats, barley and rye will be cancelled as of December 1, 1970. This action does not affect stocks at retail outlets.

The changes will, in effect, prevent the introduction of new supplies of mercurial seed dressings for use on cereal crops and allow the normal use of residual stocks during 1971.

Editorial Comment

On being Community-minded

COMMUNITY IS THE REALM within which the life of an individual is realized. We are nonentities at birth, and we only become persons when we acquire status in a group and a conception of our place among our associates.

The good community is one which provides an environment permitting and encouraging and making it possible for the individuals composing it to grow to full maturity, and one which puts to use for social betterment the maturity available in its ranks.

St. Augustine's definition is brief and comprehensive: a group, large or small, of people united by agreement as to the things they love. Such a group will set up standards to be aimed at, choose leaders to give point to its actions, debate plans, collaborate, co-operate and participate.

One great benefit in belonging to a community is that we are not alone. From the beginning of life the human being seeks to belong, to be enfolded, accepted, made a member of. Though a man were so self-centred as to seek only his own good, he must admit nevertheless that the interests of the community are his own interests.

Even Henry David Thoreau, sometimes extolled as an example of a man living alone, needed help. A neighbour loaned Thoreau an axe with which to cut trees for the house he built on another man's land; some loaned him tools to mortice and tenon the logs; others helped him to raise the frame; another gave him seed corn for his first planting; he "dined out occasionally" with his neighbours.

What is a community ?

A community may be briefly defined as a society in which the ideal life of all its members is promoted as efficiently as possible. It is a way of life, not merely houses, stores and streets. Its people enjoy feelings of security, pride, self-respect and hope. It has many different interests: spiritual, cultural, political, business, industrial, educational and social. It may have a number of problems, like shabby housing, inadequate street lighting, overcrowded schools and hospitals, and low health standards, but the good community is correcting these through re-development, conservation, industrial expansion, rising standards of living, racial harmony, and ever-widening ideals of what may be. It takes the wants and aspirations of its people and writes them in terms of action.

What is needed to build a community of this sort? People must be eager and willing to work co-operatively toward solving their common problems; they must make use of the potential resources existing in the community; and they must learn together how to use these resources to their greatest advantage.

Being community-minded is not a folksy experiment. It is mature collaboration with like-minded people who are determined to lead happy social lives.

There is no fact in life more definite than this: man is a gregarious animal, dependent for life and well-being upon mingling with others of his kind. This need is met in various ways, in the family, in the apartment building, in the street of adjoining houses. In a small way, the community spirit is displayed by the children who do not care who is marble champion of the world but are excitedly interested in who is the best marble shooter on the block.

There is real personal meaning to be found in community activities like meetings that get things done or provide information, sports or crafts groups that provide an outlet for skills, study programmes that enlarge minds and broaden horizons, and special events that help people to know their neighbours better. In a community you learn the fun of living a normal self-expressing life, and you do not feel the need for jet-set jollities.

Agricultural Society Holds Awards Night at Wildwood

On November 28th a large crowd gathered in the Wildwood Community Hall for the Wildwood and District Agricultural Society Annual Awards night.

The evening began with grace said by Mr. Cameron. The guests then helped themselves to the delicious food cooked by the ladies of the Society.

After the supper, President Luke Gerrard gave a welcoming address to those present and reviewed what the members had done in the year gone by.

He then introduced Mr. Dick Lowe, Agricultural Fieldman who spoke a few words on the work he is doing in the control of warbles in the area. Mr. Lowe then showed films of interest to those present. These dealt with the various subjects of Precondition Breeding, Cross Breeding and Feed Testing.

The following awards which had been won at the Agricultural fair were then presented to the winner: A voucher donated by Economy Foods, Wildwood for most points in Sheep Classes won by Walter Currie, of Niton; a voucher donated by Farmer's Trading Supply in Wildwood for most points in Swine classes won by Gary Chittick, Mayerthorpe; A voucher donated by T. Eaton Co. Winnipeg for the most points in Poultry classes won by M. Bruner family, Evansburg; a voucher donated by Bill's Buywell, Wildwood, for the most points in poultry classes won by the M. Bruner family, Evansburg.

The following trophies were also presented: Pembina Peerless Coal, Evansburg for Junior Cooking was won by Carol and Donna Goodwin, Edmonton; Pembina Peerless Coal, Evansburg for Senior Cooking won by Mrs. Anna Russell, Wildwood; Red and White Store, Wildwood for most points in Handicrafts won by Mrs. C. The pick of the hops makes the pick of the beer.

Hops do beautiful things to beer. They give it memorable flavour. "Hopping" is the art of blending hops into the brew so the flavour of the beer never varies. That's an art we cultivate for Calgary Export Lager. Our hops come from the World's great hop growing areas. We select them with care, pick them with gentleness, then blend them at precisely the right moment. After all, we love our beer, and because we want you to love it too, we never compromise. Next time you thirst for something beautiful, enjoy the famous taste of Calgary Export Lager Beer.

Below, Brewmaster A.J. Kerr and Brewers R. Piesanen and S.C. O'Brien inspect the quality of 1970 hops.

It was moved and carried that the agreement for Regional Library be approved and that the Chairman of the School Committee be authorized to sign it.

LABORATORY FACILITIES DRAYTON VALLEY

The following letter was received from the High School Inspector regarding Laboratory facilities at the Frank Maddock High School: "Re: Laboratory Facilities in Drayton Valley. -- A recent visit to the Drayton Valley High School confirmed what undoubtedly is already well known to both School Committee members and the teaching staff. This school has only one laboratory for the teaching of science and, in spite of the most adequate scheduling, it is not possible to schedule all science classes in the laboratory.

It should be pointed out that the science courses of this day are becoming more and more laboratory and project oriented. This means the need for laboratory space in the teaching of all science courses.

Although it is realized that the present plant housing high school may become a junior high school in the near future, this should not preclude the School Committee from taking necessary action to provide another laboratory station in the Frank Maddock High School. This is based on the idea that the junior high school, as well as the high school, will require another station for the adequate teaching of the current junior high science program.

On the basis of the present needs and projected junior high school needs, it is strongly recommended that the necessary steps be taken immediately so that this facility be available for the next semester beginning January, 1971."

It was moved and carried that the foregoing letter be accepted for information and that the matter be referred to the Superintendent of Schools for consideration.

SCHOOL BUS COMMITTEE REPORT

The School Bus Committee presented the following report: - "Re: Werner Albrechts' Request For Permission To Drive His Own School Bus. Due to the emergent situation, the School Bus Committee granted permission to Mr. Werner Albrecht to drive his bus until Wednesday, December 2nd, 1970. This permission was in the form of a letter which Mr. Albrecht received on the evening of November 30th, 1970.

At the present time Mr. Albrecht has located a driver, but this new driver has not been able to take his Drivers Test.

The School Bus Committee recommends that Mr. Albrecht be allowed to drive until this new driver is able to take his drivers' test. Ivan Vowk, George Mann.

It was moved and carried that the foregoing report be accepted and that Mr. Albrecht be advised that if he does not have an acceptable driver by Monday, December 14th, his contract will be cancelled and the route will be advertised.

SCHOOL BUS OPERATION

It was moved and carried that a circular letter be mailed to all school bus operators advising that if any child is left at the school at the end of a day by a School Bus Operator, this child will be driven home by some staff member and the cost will be charged against the bus operator's earnings at the same rate per mile as the bus operator concerned is paid.

ALBERTA IN ACTION

DEVELOPING POTENTIAL IN PEOPLE

Delinquency— a community affair

Community action in the form of greater understanding and the involvement of people on a volunteer basis is vital in strengthening the many important and varied family services provided through the Child Welfare Branch. Particularly in its work with juvenile offenders. New methods in the care and treatment of young offenders, under supervision of the trained social workers of this Branch, are directed at rehabilitation rather than out-moded concepts of lock and key control. The eventual aim is to encourage proper motivations and establish new routes back into the mainstream of society for boys and girls in trouble with the law.

Since juvenile probation, and the care of children held in custody as juvenile delinquents, (boys under the age of 16 and girls under 18 years), became the responsibility of a Branch this year, a new approach is already taking shape. Co-educational Youth Development Centres have been established in Calgary and Edmonton. They provide academic and vocational training along with other interest-expansion programs. With the program under the over-all umbrella of the Social Development Department, all the services of the department are more readily available should the child's behavioral problems stem from family problems.

New pre-employment training centres

Post-secondary adult education in the province will be taking another big step forward with the scheduled completion of two all-new Alberta Vocational Centres in Edmonton and Calgary.

The move to the ultra-modern centrally located buildings will consolidate all facilities and staff of this ongoing program. Up to now they have been spread out in various rented quarters in both cities, and the move will mean an increase in the province's over-all capacity to provide thousands of young men and women with specialized pre-employment training.

Academic courses needed to complete further education will be taught at the centres along with such things as secretarial and business programs and specific vocational studies.

All students attending the regular day programs at the centres are enrolled on a reference basis only and are financially assisted in one form or another with training allowances provided either by Canada Manpower or other provincial services. One such centre is already operating in Fort McMurray which, in addition to similar courses offered by the two new major centres, offers courses in heavy-duty construction equipment training.

Probation offers better opportunity

The use of composite, written presentence reports for consideration by the presiding justice in the courts of Alberta are becoming more widespread. Such reports, relating primarily to the social background of offenders, submitted by full-time probation officers of the Adult Probation Branch, are made only after the establishment of guilt. The growing trend in the use of probation orders in sentencing, or following a term of imprisonment, offers an offender a greater opportunity of preserving self-dignity and a second chance to face life on his own responsibility. The resulting cost saving to taxpayers is 8 to 10 times less than the cost of imprisonment, plus support costs if a family is involved.

A voluntary, pre-employment program mainly for the benefit of younger probationers, such as highschool dropouts, unskilled workers, or persons without job experience (largely in the 16 to 25 age group) is another social service aspect of probationary work. The program arranges special counselling and guest speakers, such as employment or personnel officers of major firms, discussing job opportunities and interview requirements. Parole supervision and staff for family courts are also provided by this branch of the Attorney General's Department.

Basic human rights protected

To ensure that each Albertan is enabled to develop to his maximum potential without the hindrance of discrimination, the staff of the Human Rights Branch work to protect certain basic rights of individuals. The activity of this Branch of the Department of Labour includes educational programming with community and church groups, service clubs, ethnic associations, schools and other organizations. To acquaint Albertans with their rights under The Human Rights Act a variety of literature is available including a human rights display scroll for organizations, a multi-colored placard for businesses and a quarterly newsletter, Human Concern, for general distribution to the public. These publications are available without charge on request.

Should a person feel that he has suffered discrimination in employment; hotel, motel or apartment accommodation; or in other services generally available to the public such as restaurants, stores, theatres, etc.; because of his colour, race, religion, place of origin or ancestry, he may register his concern with this agency. The Human Rights Branch then acts promptly to investigate the matter and arrive at a satisfactory solution for the persons involved.

HRDA acts in co-ordinating role

The gear-up stage of a 4-year program designed to stimulate social and economic development that will have far-reaching effects on the estimated 25,000 mostly Native population of the Lesser Slave Lake Special Area of Alberta is well underway. The provincial agency, HRDA, which stands for the Human Resources Development Authority — simply called "Herd-ah" for short — is playing an extensive role in guiding the program in all its broad context. The plan helps the people of the area to take full advantage of all opportunities presented to them through various multi-level federal and provincial government services already available.

Through an established regional office, serving the 24,000 square mile area, HRDA representatives act in a dovetailing fashion to co-ordinate all the necessary activities. They set a system of priorities for the work to be done Representatives and delegates from registered community associations work side by side with the human resource officers of HRDA, who are presently co-ordinating programs throughout the province.

Broad scope of community support

The Alberta Department of Youth provides many vital support services to communities, agencies, organizations, clubs, private and public groups involved in working with people.

Departmental officers help to organize leadership workshops, management seminars, sports clinics, student council workshops. They provide speakers on youth problems and programs. They offer consultant services. Financial assistance is also part of the over-all pattern of work undertaken to help develop potential in people throughout the province.

A research capability including studies, evaluations and inventory-taking of Alberta's youth and their community's resources is offered. Facilities include a computerized index of references material on youth activities and related subjects and a data bank on drug abuse.

During summer months the Department co-ordinates a student travel exchange program working with the federal government, local school boards and communities. Each year about 400 boys and girls from all across the province travel in groups for exchange visits to other parts of Canada.

Channeling this broad scope of services to local levels is done through more than 50 professional consultants of the Department of Youth and representatives working with communities.

ALBERTA GOVERNMENT SERVICES MOVE IN MANY DIFFERENT DIRECTIONS

Mayor MacLean Opens New Hockey Arena

Shown above are Minor Hockey Association Building Chairman, Norman Swenseid and Recreation Town Councillor Claude Albert, holding the ribbon as Mayor MacLean officially cuts the ribbon to open the new arena. Previous to the ceremony the Councillors and Mayor were given a tour of the premises and were more than well pleased with the efforts of the Minor Hockey Association in their program to provide further facilities for the skating enthusiasts in the town and surrounding area. Booster tickets are now being sold to help defray some of the expenses that went into the arena. In addition to this each Booster Ticket gives free admission to all Minor Hockey games to each family whose name appears on the ticket.

MAGNOLIA NEWS

Miss Sherron Rose has been a guest at the Allan Walker home during the first week of December. Sherron and her fiance, Leonard will be married in Entwistle on December 12th. Brenda Walker had the honor of making the wedding cake for Sherron and Leonard while Sherron was a guest.

Bob McCracken and his sons are taking their saw-mill to a site eighteen miles north of McBride B.C.

Betty Strangway has returned from a ten day trip to Smithers, B.C. She was accompanied by her mother, Mrs. Savage. They travelled to Smithers by train and by bus on the homeward trip. We in Alberta do not have all the winter weather as these folks found it snowy and cold while in B.C.

The W. Campbell's had the misfortune of having their car demolished by a truck on November 25th at the Evansburg end of the bridge over the Pembina River.

Mrs. Roy Strangway spent from December 2nd to 4th with Dean, Betty and family.

Glynne and Maxine Roth will be staying at the C. June home while Glynne's ankle, which he had the misfortune to break, has healed.

Mr. Charles Anderson celebrated his birthday on December 5th. His entire family enjoyed a delicious turkey supper with him.

Cecil and Marie June recently enjoyed several days visit from the following folks: Bill and Tena Ringland and family of Marshall, Saskatchewan; Velma and John Ringland of Lloydminster; Ethel and Dave Armstrong of Dawson Creek, B.C.; Eva and Orval Deziel from Whitehorse; and Art and Betty June of Edmonton. This is one way to get the holiday spirit started early and pleasantly.

Eight ladies gathered at Ruby Brown's home to participate in a favorite pastime, a "quilting bee". The ladies spent most of two days on the quilt which is called a "Sunbonnet Quilt".

Congratulations to Terry and Judy McKone who celebrate their first wedding anniversary on December 13th.

Mrs. Storms was the hostess for an afternoon of cake decorating when Betty McDougall, Marie June, Brenda Walker, Mrs. Storms and Connie Rose met to decorate Sherron Rose's wedding cake. These ladies do very intricate icing designs on the cakes.

As we all know time passes rapidly by so I would like to take this opportunity to wish all the readers both near and far "A very merry Christmas and a new year of health and happyness.

A.C.W. Starts Fund for Dr. Maclure's Mission

The December meeting of the ACW was held at the home of Marion MacMillan. It was learned that Dr. and Mrs. Maclure are planning to move to Sierre Leone after they have completed their year for the Mission where they are presently located. They will be moving in May 1971. Any parcels of bandages etc. should be mailed to Dr. Maclure before the end of December if they are being sent by sea mail. Parcels after December 31, 1970 can still be used by the hospital in Uganda.

It was decided to open a special bank account at the Royal Bank for those who which to donate funds to further Dr. Maclure's work in Sierre Leone, cheques be made payable to "Dr Maclure's Missionary Fund". Receipts will be furnished for income tax purposes. He will be engaged in work at the hospital there and also go on trek to visit and supervise dispenseries and nursing facilities. All donations will be most gratefully received as considerable funds will be necessary in the venture.

Gloria Belcher showed a very interesting film describing the work of translating the Bible for the North American Indian.

Instead of the usual exchange of gifts, each member donated money which will go for the needy.

D. V. Highlights

By Mrs. Edith Deby

The Earl Thompsons are back in town. They have bought they Seaboard office building which has been vacant for years and plan to convert it to a residence. Two and a half acres of land go with the home. Mr. Thompson says he has no intention of starting any business at the present time.

Mrs. Smerchinskd is home from the hospital and is making satisfactory progress after her operation.

Bradley Brown received a painful injury when he was struck on the elbow with a hockey puck. Hope you get out of that sling in time to attack the Christmas turkey, Brad.

Mrs. William Johanneson was discharged from the hospital last weekend after a month long stay.

Members of the Dunington Ladies Group have agreed not to send local Christmas cards this year. The money saved will be donated to the Purple Pansy Building Fund.

Mrs. Plewis was moved from an Edmonton hospital to the Drayton Valley Hospital on the weekend. Mrs. Plewis was injured in the car accident which took her husband's life about two weeks ago. Mrs. Plewis, formerly Mrs. Eldora Stewart has lived in the Rocky Rapids district for many years. Sincere condolence to Mrs. Plewis at this time.

Very best good wishes go to Mr. and Mrs. Tom Booker who were married in Drayton Valley on December 5th. The Bookers will honeymoon in Hawaii during the Christmas recess of the University of Alberta where the groom is studying law. Mrs. Booker is the daughter of Mr. and Mrs. George Comeau and Mr. Booker is the son of Mr. and Mrs. Don Booker all of Drayton Valley.

Miss Margaret MacKenzie had her cousin, Mrs. Molly Mackay, visiting her for a weekend. Mrs. Mackey is from Winnipeg.

It was a pleasure to have a visit from Mrs. Rufus Chamberlin. Mrs. Chamberlin, now a resident of Edmonton, is a member of the pioneer Combs family. She is a guest of her brother and sister-in-law, Mr. and Mrs. Floyd Combs. Directly after Christmas Mrs. Chamberlin will go to California to spend the rest of the winter with her grandson, Earl Gregg, and his family.

The Leslie Hemdons are looking forward to having the Art Jorgesens and the Charlie Hemdons with them for Christmas.

Mrs. Howard Pickup, Connie, Gordon and Mark will spend the holidays with relatives in Ottawa.

Members of the Dunington Ladies' Group evidentally put considerable thought into chosing prizes for their whist parties. Last Saturday night winners were: High -- Mrs. Vem Bartlett and Mr. Walter Lainchbury. Low -- Mrs. Calvin Bartlett and Mr. Clarence Dunington. We understand that Mr. Dunington is developing an interest in amateur theatricals and his prize will be most useful in his impersonation of Miss Flora La Rue in the forthcoming production of "Dollies of Yesteryear".

Mr. and Mrs. Dave Glen, of Pincher Creek were in Drayton Valley on the weekend. The Glens will leave for Arizona early in the New Year. Since his retirement Mr. Glen has become an avid rock hound and he and Mrs. Glen do a good deal of travelling in connection with their hobby.

Mr. and Mrs. Nick Urchyshyn and Lenard will be in Calgary for Christmas with the Bob Hunters.

The George Mohn's will have a real family Christmas which includes Constable and Mrs. Wally Mohn, of Nelson, Russell (Rusty) and Gordon and Bonnie.

Mr. and Mrs. Jack Hyland are going to have all their family home for Christmas except for Dalton and Gail.

Have a wonderful Christmas everybody. Be seeing you in 1971.

Alberta Rabies Situation

The Alberta Central Rabies Control Committee met in Edmonton to evaluate the rabies situation in Alberta. This committee is made up of representatives from the federal health of animals branch; the Alberta departments of health, agriculture and lands and forests; and the Alberta Veterinary Medical Association.

The committee reports that it is still too early for definite statements on the rabies problem. However, the current situation in Alberta appears to differ from that in Saskatchewan in that the coyote seems to be the main source of infection here, whereas in Saskatchewan it has been the skunk. The coyote is a more dangerous carrier because he ranges more widely than the skunk.

Recent reports from the health of animals branch show that rabies has been identified in three coyotes, one bull, one heifer, one pig and two dogs. The cases were diagnosed in the Medicine Hat, Penhold, Bashaw and Vermillion areas, except for one dog which was discovered in the city of Edmonton.

Public awareness of the rabies problem is important. The greatest risk is probably in rural areas where domestic livestock and dogs are more readily exposed. The committee recommends getting dogs and cats innoculated against rabies. Stray dogs and dogs that are allowed to run free are particularly hazardous.

People should be very cautious of coyotes, skunks or any other wild animals which behaves abnormally, or which has lost its fear of man. Parents should make sure they warn their children to stay away from such animals.

Anybody who is exposed to an animal suspected of having rabies, through a scratch or bite or even through handling, should contact his doctor immediately.

RATS AND MICE MOST DESTRUCTIVE PESTS

There's absolutely no doubt about it! Rats and mice are the most widespread and destructive pests in the world. They eat and contaminate vast quantities of food and other materials, destroy buildings and property and spread numerous diseases.

You can learn more about them and their destructive habits in a new Canada Department of Agriculture publication which deals with the control of the rodents. It is available without charge from the Department's Information Division, Ottawa.

Rev. Robin Oldring Addresses Oil Wives

The December meeting of the D. V. Oilwives was held in the Cardium Room December 14th with 90 members and 27 guests.

We enjoyed a variety of wine with our delicious turkey supper.

The business meeting was chaired by Donna Gawalko. Reports were given by the committee chairmen. Myma Townsend thanked the oilwives who helped with the Merchants Association Christmas show for children.

Jeanette Vatter is our new secretary.

After dinner Rev. Robin Oldring gave a very thought-provoking speech and then led us in singing a new carol and hymn.

Next we were entertained by the D.V. Players: Lil Ross, Jeanette Vatter, Glenda Matlock, Dot Woods, Nancy Jacobs, Gail McEachern, Pat Jenkins, Myma Townsend, Jack Makarowski and Betty McGee.

The Christmas cheer raffle was won by June Sanderson.

A box of chocolates was presented to the Cardium staff from Oilwives.

Mrs. Attha Davidson, publicity and historian chairman from the association board was present for our meeting.

We would like to thank Teddy for his Christmas treat and a special thanks to the gentleman who bought us all a Christmas drink.

A very friendly Santa passed out the Christmas gifts.

Coffee and cake ended a lovely evening.

LETS TALK TURKEY

Canadians are the greatest turkey eaters in the World! Why? Because turkey is delicious, nutritious, economical and versatile. The meat is low in fat and high in protein (that's good news for Christmas weight watchers). Turkey comes in versatile forms these days:

Mature turkeys -- for the family Christmas dinner, sold by grade - Canada Grade A is most common, allow 3/4 to 1 pound per serving.

Half turkey -- prepared like a whole bird, decrease roasting time.

Turkey parts -- come from young birds, called broilers, weighing from 6 to 10 pounds.

Turkey rolls - can be purchased or made at home, they take up less oven room, cook in a shorter length of time and are easy to carve.

Prepared turkey products -- frozen pies, T.V. dinners, soup, something for the bachelor cooks, easy to prepare. All products have been federally inspected.

What about storing turkey?

Fresh Turkey -- is perishable and should be cooked within 2 or 3 days after purchase.

Frozen turkey -- should be kept in the freezer until you are ready to thaw it for cooking.

Cooked poultry -- must be stored in a covered container - plastic bag or aluminum foil in the refrigerator. It may be stored 3 to 4 days only.

Frozen turkey can be thawed in several ways - in the refrigerator, in cold water or at room temperature. No matter what method you use -- Leave the outside wrapper on. The refrigerator is the ideal place for thawing, as it keeps the meat cold until it is completely defrosted. Allow 5 hours per pound for thawing.

What can you do with leftover turkey? Surprise your family with a turkey fondue. Or what about some Centennial turkey Chowder. Turkey can also be used as a dip or how about turkey bunwiches. If any of these ideas have caught your fancy phone (777-2231) or write (Box 510) for a copy of "Holiday Entertaining with Turkey". It contains some super different ideas for using turkey.

Mark December 17, 18, and 19 on your calendar for those are the days there will be a demonstration at Southgate, Woodwards Food Floor on entertaining with turkey.

P.S. -- Tired of licking stamps for Christmas cards? Use an ice cube to wet them.

Giving is part of the Christmas spirit. That's why The Salvation Army gladly gives its time to make this holy season more meaningful to those in need.

Girl Guides and Brownies look on as Mrs. Patrick (L) and Miss Ellenski judge entries in the groups' baking contest.

Girls Hold Baking Contest

A Baking Contest, Bazaar and Bake Sale took place last Saturday at the Anglican Parish Hall. The contest had entries from both Girl Guides and Brownies.

In the Girl Guide category, first place went to Claire Telford squares; Jerryldyn Thomas, cookies; Jeri-Ann Horne, cupcakes; and Sharon Lem, tarts.

The Brownie catagory winners were; Polly Kurylo, squares; Mary Jo Roberge, cakes; and Lillian Wensly, cupcakes.

The judges commented on the many entries and the difficulty in judging. The baking was then sold along with bazaar articles the girls had prepared. Tea was served to the mothers and guests.

The money the girls made will be used to pay off previous debts and the remainder will be donated to the Friendship Fund.

They extend their thanks to all who lent them support.

Hospital Auxiliary Provides New Examination Table

The Hospital Auxiliary Ladies opened their Christmas meeting with 14 members. Prior to the meeting we all met at the hospital to witness the presentation of the new hydraulic examining table. Mrs. Jahnke, Matron and Mr. Don McKenzie, chairman of the hospital board accepted the table presented by President, Doris Reid. The meeting resumed at the nurses residence. Following the treasurers minutes, a discussion on magazines for the waiting room and patients was held. Next month's meeting, each member will bring a magazine for roll call. Perfect attendance spoons were presented to Valerie Courtney, Ann Eustace, Mrs. Green, Mrs. Jahnke, Florence Romano, Thelma Cuthbertson, and Doris Reid.

Canteen workers were listed for the next four weeks.

Ida Cross volunteered to take care of the gift for the hospital staff and patients.

New executives for the next term are; President, Ann Eustace; 1st Vice-President, Opal Gano; 2nd Vice-President, Peggy McKillop; Secretary, Marlene Samis; Treasurer, Ida Cross; Publicity, Delorise Mohr; Phoning, Florence Romano.

Then, a discussion was held on encouraging new members, as the group is very small and would welcome more help. If you are interested in the hospital and care of patients, won't you please give Mrs. Ann Eustace (542-3252) or Mrs. Doris Reid (542-3986) a call. The examining table is one of the many ways the Auxiliary helps the hospital. Ladies go around 3 days a week with the cart of bars etc. In this way you visit a few moments with each patient and offer them some assistance. This is a very worthy group of ladies.

An exchange of gifts and a lovely lunch was served by Doris Reid Ann Eustace and Florence Romano.

BUCK LAKE NEWS

Happy birthday greetings go out this week to Mrs. Esther Fullerton December 4th, Bob and Ernie Mills December 5th, and Debbie Bouck on December 8th.

Anniversary congratulations and best wishes to Mr. and Mrs. Ernie Mills on their 22nd anniversary December 4th.

Quite a large crowd attended the closed dance at the Recreation Centre Wednesday, December 2nd. "The Blue Boys" provided good dance music. A special thanks to the fellows from the pipeline who attended. Funds are going towards artificial ice.

Larry Prefontaine was in Edmonton Wednesday and Thursday to see an eye specialist.

Congratulations to Barbara McLeod being the lucky winner of a Sanyo Tape Recorder from the Marshall Wells Store in Wetaskiwin.

There was a capacity crowd at Mr. and Mrs. K. Macdonalds wedding dance (Judy and Ken) on November 28th. Williard Robinson Orchestra supplied the music which was enjoyed by all.

Wetaskiwin visitors Thursday, December 4th were Rudy and Vera Brzus as well as Ken Odegaard and Victor Forchuk.

Nice to hear that Mrs. Leon Brzus is at home again after being in the hospital in Rimbey.

Mrs. Clifford Parker (Jean) is in Edmonton at her sisters for a while, awaiting a blessed event.

Mr. Joe Laczo has a cooking job up north this winter.

Norman Parker and George Foster were involved in an unavoidable accident Thursday evening of December 3rd about 6 p.m. approximately 14 miles north of Rocky Mountain House when they encountered a herd of horses galloping down the road towards the car.

Norman is in the hospital in Rocky for a few days requiring a good many stitches in his forehead. Best wishes for your recovery, Norman.

Saturday night, Kathie and Debbie Bouck were guests of Mr. and Mrs. Ken Macdonald of Buck Creek in honor of the girls birthdays and Wes, Betty and Irvin motored on to Drayton Valley to visit with the John Larsens there. They stopped in for coffee at Judy's on returning home and saw her new home -- a real doll house.

On Sunday afternoon several families gathered for some snowmobiling in Sindys field across from Pattends. Lots of fun and all that fresh air sure makes one sleepy.

A well attended ratepayers meeting was held at the Recreation Centre on Thursday evening, December 3rd.

Visiting at the home of Mr. and Mrs. Harry Wasyk on Sunday, December 6th, was her daughter and son-in-law, Olga and Allen Dahl of Leduc.

Many thanks from the Ladies' Friendly Circle Club to Mrs. Lillian Erlam, of Leduc who sent out 90 Nabob Coupons towards our coffee urn, care of Goldie Anderson. Thank you very much, Lillian. We would also like to thank everyone who has contributed coupons, special thanks to those who have sent large amounts. However, we still do not have enough, so anyone having some they would like to donate, thank you in advance.

Mr. John Hansen spent a week at Breton visiting friends, the Buchanan's and attended a wedding as well.

The annual commercial fishing season opens at Buck Lake Friday, January 8th with one pull - Saturday, January 9th. The Annual Fisherman's Dinner will be held Friday, January 8th from 12 to 8 p.m. and the Fisherman's Ball will be held that evening at the Recreation Centre. The "Blue Boys" will be providing good dance music.

Ede Drader and Lyle McLeod entered the Santa Claus Parade in Rimbey Saturday, December 5th. They won 1st for the most original entry - Cedric and Caezar were reindeer drawing a toboggan and Santa (Lyle) and Mrs. Claus (Ede) were in attendance.

Weekend visitors at the home of Ernie and Erie Mills were his sister Irene Baxter, sister-in-law Margaret Mills, neice Verna May Kemble and nephew Charlie Mills, all of Calgary.

Mrs. Verna Mills (Ernie's mother) of Calgary visited at the Mill's home for a week to attend her grand-daughter's wedding, (Judy and Ken Macdonald).

There's a wild well going at Ed Thomas's. Quite a few have had to work overtime getting it under control.

Many good-hearted citizens of Buck Lake have been giving of their time and energy to the Recreation Centre here, preparing for the artificial ice. Others are working everyday on the Skating Rink and change houses, insulating and wiring them in anticipation of hockey games coming up.

Many thanks to the ambitious ladies who have been scrubbing and waxing the floor in the Centre.

The Fish and Game Association held a meeting Wednesday, November 25th at the Ladies Club House. Goldie Anderson was presented with a Spice Rack in appreciation of serving lunch to the Fish and Game Association and members

Decorating with Cards Can Be Yule Project

When children need a change from the toys on Christmas day, a promising project could be to let them see what they can do with the family greeting cards.

Here are some suggestions from Jeannette Lee, art director for Hallmark.

Tape or staple cards to lengths of ribbon and hang them on walls or doors.

Make a Christmas wreath by attaching cards to a circle of cardboard.

"Frame" cards with construction paper.

Decorate a screen with cards.

Christmas Greetings

We take this opportunity to extend best wishes of the season to friends in Drayton Valley and district. Rather than sending cards in the area we are contributing the money usually used for this purpose to the

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending December 10, 1970 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	6200	3200	3000	5500	240
Last week	5409	2974	2435	3099	1568
Same week (1969)	6637	3927	2710	2234	454

SUMMARY

Cattle and calf deliveries were seasonally normal, despite sub-zero temperatures throughout most of the week. Receipts included 1500 stock calves, most of which were through-billed from B.C. to Ontario. Replacement cattle and calves made up about 80 per cent of the total sales. The slaughter trade was only moderately active. Top quality slaughter steers and heifers were scarce throughout. Choice light and handy weight steers sold fairly active at steady prices, whereas heavyweight steers were discounted 50 cents to $1.50. Butcher heifers steady. Cows barely steady. Bulls steady. Veal and butcher calves steady. Replacement cattle and calves steady.

SLAUGHTER CATTLE AND CALVES

Slaughter steers were in short supply throughout. Choice light and heavyweight steers sold fairly active and steady at a practical top of 30.00. Heavyweight steers 1050 lbs. and over, and overfinished steers were under pressure and sold at discounts of 50 cents to $1.00 depending on the weight. Butcher heifers sold steady throughout, although strictly choice heifers were relatively scare, weighty heifers were also discounted. Slaughter cow prices held about steady, although buyers appeared to be more selective at the close. Most of the good quality cows were sold to feeder buyers and went back to the country. Bulls steady. Veal and butcher calves steady but scarce.

REPLACEMENT CATTLE AND CALVES

Replacement cattle sold to a good demand at steady prices. A fair volume of short-keep feeder steers sold at about 50 cents to $1.00 above slaughter prices. Stock cows fully steady. Stock calves continued to meet an excellent demand at fully steady prices.

SHIPMENTS

Last week's cattle shipments off the Edmonton Public Stockyards were: East, 134 feeders; West to B.C., 155 slaughter. Feeders to southern Alberta areas 688.

Former Resident Passes in Edmonton

Mr. Letourneau, a former resident of Buck Lake and Pendryl, passed away in Edmonton Sunday, November 29th.

He is survivied by his wife Emma, of Edmonton; two daughters Cecile (Mrs. Bob Wennerstrom) and Delia (Mrs. Mike Scryhalo) both of Alder Flats; two sons, Raymond, of Edmonton and Hector of St. Albert.

Mr. Letourneau operated a sawmill at Pendryl and Buck Lake, from 1937-1941 where he lived until 1954, when he moved to Edmonton.

Mr. Letourneau will be greatly missed by his family, relatives and friends, of which he had many in the Buck Lake area, especially.

Burial took place Wednesday, December 2nd at the Holy Cross Cemetary in Edmonton.

UKRAINIAN FESTIVAL IN EDMONTON

Edmonton will be the site of a national festival of Ukrainian song, music and dance early next year. Some of the finest talent in the Ukrainian Canadian Community, with participants from Toronto to Vancouver, will take the stage of the Jubilee Auditorium in "Festival 80" on May 23rd.

"Festival 80" will celebrate eight decades of the Ukrainian heritage in Canada. The occasion is the 80th anniversary of Ukrainian immigration to Canada.

Edmonton was chosen as festival city for a historic reason. Ivan Pylypiw, one of the trailblazers of Ukrainian immigration to Canada, settled with his family in Northern Alberta, as did thousands of his countrymen around the turn of this century.

Part of the large crowd that attended the New Breeds Sale at Sekura Auctions last Saturday is shown in the photo above.

New Breeds Sale Attracts Large Crowd

At the new breeds sale at Sekura Auction Mart on Saturday, December 12th, about 200 head were on offer. Female breeding stock was in biggest demand.

Good red and white faced heifers contributed by Walter Saide and Lenard Arndt of Barrhead which were bred back to Semmental through A.I. sold from 360.00 to 390.00 per head with Ray Mauvalt of Breton the largest buyer taking over 50 head of these heifers. Other larger buyers were Ray Nasby, Niton with 22 head; Orval Armstron of Peers with 10 head; and Lee Miller of Alder Flats with 7 head.

Bred Limousine $340.00 per head.

One half Semmental heifers bred back to Semmental top the females by selling to a high of 900.00 and the top selling half Semmental heifer calves sold at 760.00.

These heifers were contributed by George Sekura of Brooks, Alberta and bought by Joe Boake of Calgary, Alberta.

Two ½ Semmental yearling bulls sold at 620.00 and 600.00 each.

One char-cross heifer calf at 405.00 and 1 15/16 Charolais bull calf at 600.00.

There were buyers present from Coronation, Edmonton, Stettler, Calgary, Edson, Barrhead and many other Alberta points.

More sales of this type are planned for the future.

Tomahawk Girl Wed In Ontario Ceremony

On Saturday, November 28th, at 4:00 p.m., Miss Lorraine Siebis, youngest daughter of Mr. and Mrs. Earl Siebis of Tomahawk, was united in marriage to Mr. Donald Eden, son of Mr. and Mrs. Eden of Welland Ontario, at the Welland Holy Trinity Anglican Church. Rector F. Allan Hill officiated.

The bride, given in marriage by her father, looked radiant in a white satin gown with an empire waist line and a train which fell from her centre back. Her shoulder length veil was centered with a white rose and she carried a bouquet of fresh red roses and white carnations with white streamers and red rose buds.

Attending the bride was her sister, Mrs. Margaret Sikora, Matron of Honour. Miss Dorothy Leslde, friend of the bride, and Mrs. Marilyn Rehel, sister of the groom. Miss Christine Worden, neice of the bride was flower girl.

The matron of honour and flower girl wore gowns of old rose potesque and carried bouquets of fresh pink carnations. The bridesmaids wore gowns of olive green potesque and carried bouquets of fresh yellow carnations. Their only headpiece was a bow the same color as their gown and they wore drop pearl necklaces, gift of the bride.

The groom's attendant was Mr. Leo Eden, brother of the groom. Ushers were Mr. Dwight Eden, cousin of the groom and Mr. Murray Rehel, brother-in-law of the groom. Master Kenny Scott, nephew of the bride was ringbearer.

For her daughter's wedding Mrs. Siebis wore a one piece peach dress with black accessories and wore two tone orange carnations en corsage.

The groom's mother, Mrs. Eden chose a one piece gold and silver dress with gold accessories and wore yellow carnations en corsage.

Following the ceremony, a reception and dance was held at Cooks Mills Hall.

For her going away outfit, the bride choose a one piece orange dress with a sleeveless black net coat and black accessories. She wore a yellow-orange lily en corsage.

The newlyweds will make their home in Welland where Donald is employed.

CARNWOOD NEWS

Mrs. Orville Johnson is attending the Unifarm Convention in Edmonton.

Mr. and Mrs. Victor Sauders and Ted were recent city visitors. Also Mr. and Mrs. Mert Wallen and family.

The Warburg Legion #205 and Auxiliary held their annual elections of officers recently with officers elected as follows: Legion, President, Arnold Foster; 1st Vice President, Earl Jacobson; 2nd Vice President, Donald Heslop; Service Officer, James Saunders; Sgt at Arms, Jim Hankins; Secretary-Treasurer, Bennie Weiss.

Auxiliary officers for 1971: President, Gwen Hooks; 1st Vice President, Ida Heslop; 2nd Vice President Willie Hooks; Secretary-Treasurer, Rose Saunders; Sgt. at Arms, Florence Foster.

A vote of thanks was extended to retiring officers.

We are glad to hear Mrs. Sarah Roy and Mr. John Veldhouse are now home from the hospital.

I would like to wish everyone a very merry Christmas and a very prosperous New Year.

Deepest sympathy of the community is extended to Mrs. Fleming and family of Edmonton on the death of Mr. Tom Fleming.

PATRONAGE REFUNDS

Alberta Wheat Pool members who did business with the Pool in the 1969-70 crop year are to share patronage refunds totalling $3,854,770. Pool delegates at their annual meeting in Calgary have authorized refunds of $1,364,720 in cash and $2,490,050 in reserve.

On deliveries of wheat, oats, barley, flax, rye and rapeseed to the Pool by members, the patronage will be 4.23 cents a bushel, made up of 1.5 cents a bushel in cash and 2.73 cents a bushel in reserves.

FALLIS NEWS

Mrs. John Belseck of Mackay has been visiting at the home of Mr. and Mrs. Wittenberg of Fallis for the past week.

There was a Fallis community meeting held in the Fallis Community Hall on December 6th.

A shower was held in the Fallis Community Hall on December 7th in honour of Pat Lassu who recently married Victor Jones of Fallis. Assisting the bride was the bride's mother-in-law, Mrs. Jones, her sisters-in-law, Margaret and Darlene Jones. There was a good turn out and the bride received many lovely useful gifts.

The bows were beautifully made into a hat by Colleen Hardman for the bride. The couple are going to reside in Edmonton. Best wishes and happiness are extended to the newlyweds.

A bingo was held in the Fallis Community Hall on December 4th. There was a large turn out considering the cold weather we have been having lately. The proceeds of this bingo go to the Christmas party for the children to be held on December 20th. Another bingo will be held on December 11th. There will be no more bingo's until after the New Year.

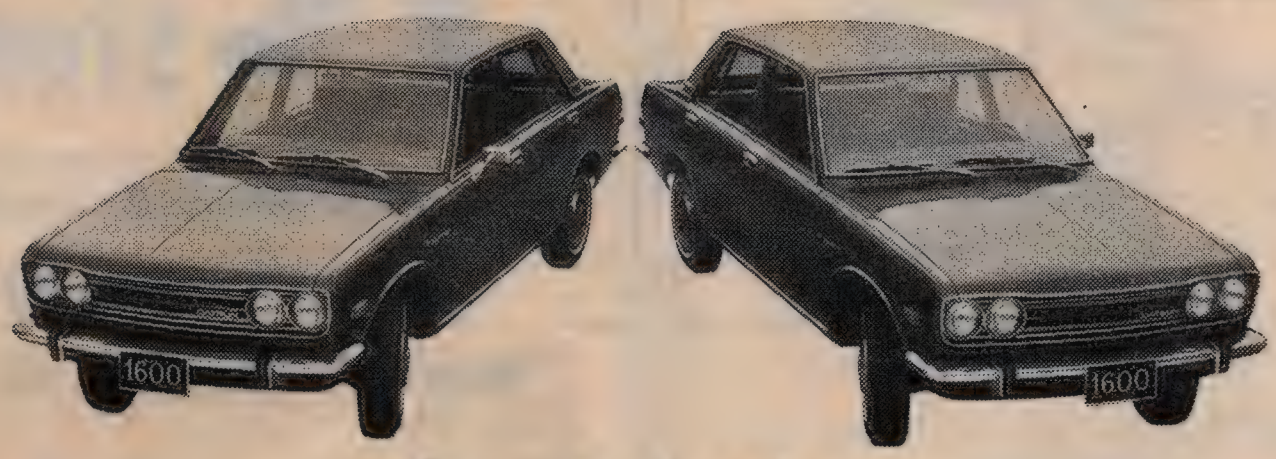
Before you spend over $4500 on a car think twice



Datsun 1600 isn't long like a big car, but it's big inside where it counts.

It doesn't have all sorts of optional extras, because everything on it but a 3-speed automatic transmission and a radio is standard equipment. Like carpet, flow-through ventilation, front disc brakes, bucket seats, whitewalls and textured vinyl upholstery.

More important, a Datsun 1600 will go anywhere a big car will go and a lot of places a big car can't. And on the way there, it will give you up to thirty-five miles for a gallon of gas and around 100,000 miles between major overhauls.

For around $4500 you get twin 2-door 1600's. Or a wagon and a 2-door. Or two 4-doors. Or just one Datsun and a bundle for your bank. No matter which way you do it you win, when you think about it.

EVANSBURG NEWS

Today the sun is shining brightly and the temperature is hovering not too far from zero. In fact, if the weather kept on as is, we would have no complaints in that department at all.

The 4-H Tractor Club held its regular meeting on the 4th this time as the weather was too cold to hold it on the regular night. This meeting time was taken up with several demonstrations concerning safety around a tractor. It is amazing how slow one is, even though we think our reflexes are at their peak. The members also met on the Saturday night to make posters announcing their bake sale.

A new club has started in the village and area. This is a Figure Skating Club for children of the village and all around the district who can make it to the rink for lessons. A fee of two dollars over and above the regular skating rink fee is being charged for the lessons. The instructor in charge is a high school girl, Annette Coulombe. At present there are about thirty-five children registered for the lessons. Anyone registering and learning the figures taught are eligible to wear the badges as awarded by the Canadian Figure Skating Association, as the club is associated with this group. Practices are Monday and Wednesday at 6:30 p.m. and Sunday at 10:00 a.m. The committee members looking after this venture are Mr. Guy Coulombe, president; Mrs. Betty Brown, Secretary Treasurer; and Executive Committee, Mrs. Connie Soleski, Mrs. Hilda Boychuk, and Mrs. Zennie Adashnynski. Parents of the children involved will be asked to help out and the aim of this year's plans is to ready the skaters for the forthcoming winter ice carnival.

Mrs. M. Bruner had a very pleasant visit with our new District Home Economist the other day. She is Mrs. Georgianna McDavid and will be coming to Evansburg every Tuesday until further notice. Mrs. McDavid is prepared to help home makers in the fields of home management; family living; food and nutrition, including special diets which many of us have to contend with; clothing textiles; handicrafts; home leadership conferences; fairs and conventions. In fact, Mrs. McDavid's advice should be welcome especially to those folks who exhibit handicrafts and cooking at our agricultural fairs. She may be reached by phoning 727-2231 or the office of the District Agriculturist in Evansburg.

This week get well wishes go to Mr. Bill Brensenstuhl who is a patient in the Drayton Valley Hospital.

The U.C.W. ladies wish to thank everyone who patronized their recent church tea and they wish to let everyone know that the United Church Christmas Service will be held on December 20th at 2:30 p.m.

Sympathy of the district goes to the Plewis family on the accidental death of Mr. Johnny Plewis.

RED CROSS IS ALWAYS THERE WITH YOUR HELP

KEEPHILLS NEWS

A kindergarden class for preschoolers on a one day a week basis began here last week with 16 children attending.

On Monday, December 7th, a shower for Dianne (Nee Korzan) of Highvale, was held at the home of her parents. Dianne was married in September.

Mable Bryant has been visiting friends in the area after her return from the hospital in Edmonton.

Parents of school children gathered at the school last Tuesday to make costumes for the Christmas Concert.

Mary and Steve Ewashko from Edmonton spent the weekend at home with their parents, Mr. and Mrs. Jacob Ewashko.

Violet Melnichuk is home helping her mother for a month. Mrs. Melnichuk spent several days in the hospital following surgury.

Wendy Strassburger and Grace Bailey celebrated their 6th birthdays on December 10th -- Grace with her 4 year old brother Reg. Linda Bacon and Scott Bryant appeared on Pop Corn Playhouse on December 8th.

Funeral Service For M.L. Johnson

Mervyn Ludwig (Slim) Johnson passed away at the Drayton Valley hospital Saturday, November 17th, he had been a patient there for the past month.

Slim was born in Madison, Wisconsin, U.S.A. on July 7th, 1886. He came to Canada in 1906, working at various jobs throughout the country. He homesteaded in the Yeoford district in 1926. Slim became a Canadian citizen in 1936. In 1938 he sold his homestead and came west to Alder Flats. He worked in the sawmills as steam engineer and jack-of-all-trades. Later when oil was discovered out here, Slim went to work on the rigs as a fireman. He retired in 1957 and has been living at various locations in the Alder Flats district.

Rev. Walter Gamble of the Poplar Valley Church of Winfield officiated with Baker funeral chapel of Wetaskiwin in charge of arrangements. Interment took place in the Alder Flats cemetary.

ALDER FLATS NEWS

Marie Blades has been a patient in the Ponoka hospital.

The Boby Chapchuks have moved to B.C. were he is employed.

Sympathy is extended to the family of the Late Mr. Emile Letourneau of Edmonton.

The Guides had their tea at the Legion Hall on the 5th of December.

The grades seven and eight boys and girls from here took part in the volley ball tournament in Wetaskiwin.

Margaret Stefura spent several days at Brooks with Victor recently.

The November meeting of the Home and School was held the 27th with eleven members present.

Mr. Pearson led the discussion on the short noon hour for the students, which has not been decided as yet.

Margie Hammond led the discussion on the awards cups. The majority felt the cups should be given so long as the funds hold out.

The Christmas gifts and arrangments are the same as the previous year. Bernice Johnson is in charge of the purchasing of them with the assistance of Shirley Shanks. Nellie Hare and Darlene Seely offered to help wrap the gifts. Darlene will also locate a Santa. The election of new officers was held. President, Marie Blades; Vice-President, Shirley Shanks; Secretary, Bernice Johnson; Treasurer, Mickey Parker; Program Committee, Howard Pearson and Dennis Nelson (two more are needed on this committee) the above were all elected by acclamation and had been approached by the nominating committee. The plaque was presented to Mrs. Olson.

Lunch was served by Margie Hammond for Ester Hammond and Jean Melin were unable to be there.

The next Home and School meeting will be January 28th, 1971.

Visiting at the Victor Stefura home is Margaret's uncle Joe Vess from Thunder Bay Ontario, who she hasn't seen since she was a little girl. He is also visiting with the Joe Voss's and Mrs. Voss while here.

Mr. and Mrs. Harold Johnson were pre-Christmas supper guests of Doug and Helen Mourice, Beaver Drilling, in Edmonton at the Petroleum Club on Friday, December 4th. Other guests were Mr. and Mrs. Bill Richardson and Mr. and Mrs. Glen Quin.

Harold, Bernice, Debbie and Denice Johnson watched a couple of volleyball games in Wetaskiwin on Saturday and then went on to Bashaw to visit Harold's mother who resides in the Bashaw Lodge.

Ken Hayduk has purchased another truck. Jim Wilson will be driving for him. Jim and Sheila will be living in Ben Jeffcotts house.

Ben Jeffcott was a patient in the Drayton Valley hospital.

A meeting was held in the Alder Flats Community Hall, November 25th, for the purpose of getting some banking services in Alder Flats.

The Manager of the Wetaskiwin Pioneer Saving and Credit Union, Mr. George Hewko was present and explained the operation of a Credit Union, and his willingness to help us get started or be affiliated with the Wetaskiwin branch.

He was accompanied by Mr. Malcolm Barrow, manager of the Battle River Planning Commission and is on the Board of directors of the Wetaskiwin Credit Union.

Alder Flats will look into this further and hope for the support of the people. It is a big strain on the business people to have enough cash on hand to cash cheques for the people, this involves going into Drayton Valley two or three times a week or wherever else someone may be going where there are banks to bring back cash, so if you are in the habit of cashing your cheques this way and would like to continue to have this service, come out to the next meeting with your support. It's needed.

HAMPER WINNER

Mrs. Shirley Cronkite, Drayton Valley was a winner of C.F.C.W.'s weekly hamper draw. Mrs. Cronkite is shown here receiving her prize from C.F.C.W. Sales Manager Jim Brown with Don McKenzie looking on. Mrs. Cronkite filled out the contest form at Donald McKenzie Men's Wear.

Mrs. Cronkite is now eligible for the final draw on December 19th for a prize valued at $200.00. The prize includes a complete family Christmas dinner (including dishes) and a poodle puppy.

Alberta Chilled Beef Arrives in Tokyo

Alberta's experimental shipment of chilled beef which arrived in Tokyo recently could be the first of many to go to Japanese and other Asian markets, says the province's marketing commissioner, Harry Hargrave.

J. D. Rogers, in charge of Canada Packer's world wide export business, reported to Mr. Hargrave that the 22,000 pounds of top choice chilled beef arrived in Tokyo in excellent condition and that Japanese trading officials were well pleased with what they saw. The beef sale was arranged by Canada Packer's international trade division and its agents in Japan in co-operation with the federal department of industry, trade and commerce and the Canadian Trade Commissioners Service in Tokyo.

The meat was shipped from Canada Packer's Calgary plant. It was trucked to Seattle via Vancouver and went from there by ship to Kobe, Japan. The refrigerated container was provided by Canadian Pacific Transport. It was equipped with racks for hanging the 136 quarters of beef and used its own power supply to keep the meat at a temperature of between 29 and 31 degrees F. during the 15 day journey.

Upon its arrival in Tokyo the beef was sampled by Japanese meat and retail trade representatives and inspected by trading company and government officials.

A reception attended by 100 people connected with the Japanese trade was held in Tokyo's Imperial Hotel to introduce the new product to Japan. The reception was arranged by Canada Packers, the Canadian Embassy and Alberta's recently established trade office in Tokyo.

T.V. Program of Airport Interest

In view of local airport interest a T.V. program that might be worth watching is Eye-to-Eye on CTV at 7:00 p.m. Tuesday. Next week will be the last of a series of three called "Death of an Airport" with the subject the Edmonton Industrial Airport.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

To the parents of the pre-school children, let me recommend a T.V. program that is excellent. If you are not already familiar with Sesame Street, watch it a time or two and you will recognize a good teaching program for young children. There are even several classrooms in school who have taken advantage of it on occasion. Television today is designed to hold the attention of the youngster, even outside of the "commercials" area. Their programs will hold your child's interest for up to one hour, while teaching him numbers, letters, sounds and other concepts. It is of value to any child in the early elementary grades who is having difficulty in school, as it reinforces and reviews what they should have learned. Furthermore it is available three times a day on different channels.

Christmas in schools brings an abundance of craft work. It is displayed in the classrooms for the children, but most parents miss the opportunity of enjoying it. Even we, as teachers enjoy going down the halls and looking at the various displays. Please feel free to come into the school (after school hours) and do the same.

Various sections of the school have planned get togethers the last week. Grade five are planning such a gathering on the last afternoon. Grade two are planning on meeting for an impromtu performance. Miss Batten's and Miss Miners classes are inviting mothers of their children to a short program. Other classrooms are planning short individual parties.

It is sad perhaps that our school is so large and the acoustics in the gym so poor that no general concert is held. We hope to experiment in the spring with the idea of presenting children's programs to the parents.

By the way, school dismisses on Wednesday, December 23rd at 3:30.

This was taken from a story in Mrs. Floden's grade five language class.

"Just yesterday one of the boys got lost and we've been looking for him for three days now."
